Hello MOW folks and welcome to the MOW Weekly Update. We have a short and sweet update for you so let's get to the updating.

## **WEEK IN REVIEW:**

**Tuesday:** The crew worked in the shops and accomplished quite a bit. Heather worked in the container. Pat and Gene worked on the manlift. Mike worked on getting the backhoe back in action. Good work by all.

**Thursday:** We did not do much work as there was not MOW this day.

**Saturday:** This was a holiday weekend and we hope that our volunteers were eating heartily this day.

## **WEEK AHEAD:**

**Tuesday:** We will be meeting at the shops starting at 5:00 p.m. for work on MOW projects.

**Thursday:** We will be meeting at the shops starting at 5:00 p.m. for MOW projects.

**Saturday:** We will be meeting at the shops at 8:00 a.m. for work on the line and boy do we have some fun and exciting projects.

See you out on the line,

John, Sandy, and Chris
